

## **TECH-VOC TRACK ICT STRAND GRAPHIC ILLUSTRATION**

This strand aims to broaden students' knowledge and understanding of graphic illustration in the world today, as applied in various fields such as comic art production, book illustrations and storyboarding for film/animation. It aims to develop the creative and drawing abilities of students and offers them the opportunity to create original stories and design original characters. Students will be given the opportunity to undergo structured practical training in aspects of drawing, design, storytelling, and illustrative techniques.
